Patient Responsibilities

Patient Responsibility: Patients are responsible for all charges resulting from treatment by *Bridge City Family Medical Clinic (BCFMC)*. As a service to you we will bill most insurance companies directly; however you are responsible for your account. Payment is due within thirty (30) days of receiving your bill, unless other payment arrangements are made. If your account goes to collection, you will be responsible for all fees incurred. *Patients are responsible for knowing what their insurance will and will not cover.*

Initial visit: At your first visit you will need to pay cash at the time of service. This will establish a credit history with the clinic. You must have your current insurance Card(s) and photo ID. Patients who do not need to pay cash at time of service are those with *HMO/ PPO* insurance, *Medicaid* and *Medicare* insurance, OHP members with the correct doctor (PCP), *Worker's Compensation* and established families with good credit history. You will be asked to pay for your visit if you do not have your current insurance information.

Insurance: You are responsible for deductibles, co pays, noncovered services, coinsurance and items considered "not medically necessary" by your insurance company. Copayments are due at the time of service. The remaining balance should be paid off within one (1) month of notice from the insurance company. If you or your insurance company makes a payment that exceeds your balance, reimbursement will be made. We will bill your primary insurance for you. *Providing correct insurance information is the responsibility of the patient/ guarantor.* Patients must bring their current insurance cards to each appointment. If payment cannot be made at each visit, notify the business office to make other arrangements.

HMO/PPO Plans: *Co-Payments are due at each visit.* You will not receive a monthly unless there is a balance owing from the patient.

Oregon Welfare and Oregon Health Plan: It is your responsibility to bring your current insurance card with you to each visit. If you do not bring your current card to your visit, you will be asked to reschedule your appointment.

Medicare: We are Medicare Providers.

Worker's Compensation: In order to file a Worker's Compensation claim, you will need the name of your insurance carrier, the date of your injury and your claim number. You must notify the scheduler that your appointment is for a worker's compensation injury.

Motor Vehicle or other Liability Claims: We will bill your auto insurance or other liability insurance on (1) time as a courtesy. Settlement of these claims can take several months, full payment for the visit or financial arrangements must be made at the time of service.

Divorced Parents: *BCFMC* will not be responsible for disputes between parents due to a divorce. The parent who brings the child in will be responsible for the bill unless a court order is brought to the appointment showing parent responsibility for bills.

Collection Charges: The Guarantor will be responsible for the cost of collection and/or court costs and reasonable legal fees. Accounts assigned to collections will be charged a fee of **\$40.00**.

Return Checks: Patients will be charged **\$25.00** return check fee for checks that are returned by the bank; further payments must be made in cash or money order.

Abusive Behavior: Verbal or physically abusive behavior towards staff will not be tolerated. This type of behavior will result in immediate discharge from the clinic.

Missed/ Late Appointments: You are expected to arrive 10 minutes prior to your scheduled appointment. If you arrive more than 10 minutes passed your scheduled appointment time we will need to reschedule your appointment. If we do need to reschedule your appointment due to being late or not showing up entirely, a **\$25.00** charge may be billed to your account. Chronic tardiness and missed scheduled appointments may result in dismissal from the clinic.

Advanced Notice for Appointment Cancellations/ Reschedules: If a cancellation or reschedule is needed for a scheduled appointment, *BCFMC* requires at least a one (1) day prior notice. Failure to cancel an appointment in the given time may result in a fee of **\$25.00** billed to your account. Chronic failure to notify staff of cancellations or reschedules in the appropriate time may result in dismissal from the clinic.

Pharmacy: We require seventy-two (72) hours prior notifications on all prescription refills. Refill requests made on Friday will not be available until the following Monday. No refills will be done after hours or on weekends.
